DRYHILL

Dryhill is a 17th century Cotswold house and vineyard with stunning views of the surrounding area, making it a unique marquee venue to host your dream Cotswold wedding.

We have our own Event Manager at your disposal, giving you the opportunity to create your own bespoke wedding experience, free from the restrictions of usual corporate venues.

We only offer a limited number of wedding dates each year from May to September, making this a truly exclusive place to host your wedding.
